WAYNE A. SHIRK

KISHACOQUILL 1969

1968. Pep Rallies. Clothing Drives. Competitions and victories. 1968. Another Christmas. Another Easter. Another Birthday come and gone. 1968. It was a very good year. A fun year. A rewarding year. But it's over now. It's 1969. A new year full of Pep Rallies. Packed with competition. Complete with victories. And supplemented with freedom. Ours is a free society. 1969—a free year ... a free year.

KISHACOQUILLAS ALMA MATER

To the school that we love may we ever
be true
We pledge love and honor Kishacoquil-
las to you
We'll remember your name as our lives
bring you fame.
May the Lord up above bless the school
that we love
And in peace may you lie Kishacoquil-
las High.
Mid the mountains of blue—neath the
pale azure sky
Stands our Alma Mater—sweet memo-
ries there lie
And may nothing impair the friendships
we share.
May the Lord up above bless the school
that we love
And in peace may you lie Kishacoquil-
las High.

DEDICATION

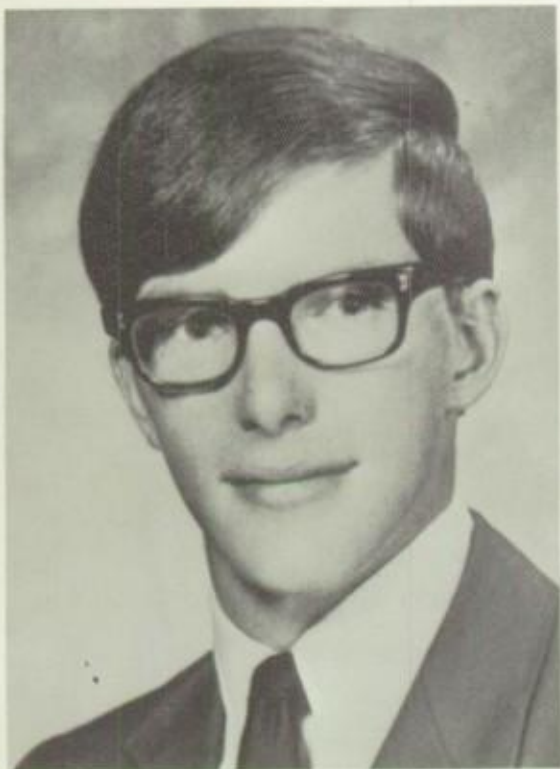

It is with sincere gratitude that we dedicate this year's edition of our Kishacoquill to a man who has served not only our class, but also the entire student body in his many years as the Principal of the Kishacoquillas High School. It is seldom that he is seen without a smile on his face, for he is a kind and friendly man, always willing to help others, and always ready with a cordial "hello" for everyone.

Through his fine guidance, and through his wonderful inspiration, students of the Kishacoquillas High School have been well educated.

It is with deep honor and hearty appreciation that we dedicate the 1969 Kishacoquill to Fred R. Carstetter.

MEMORIAM

ROGER STEVEN NIMAN

An unusual breed, this lad, this friend of ours, who by some quirk of fate, or for some reason unfathomable by mortal man, was taken from our midst.

To find someone who knew him, who was not charmed by his ingratiating smile, or by his shy, yet uninhibited approach, to living every day as though that day was meant for him and he for it would be a task.

Who knows how brightly this star may have shone, when once experience had honed to finer edge, the talent he possessed.

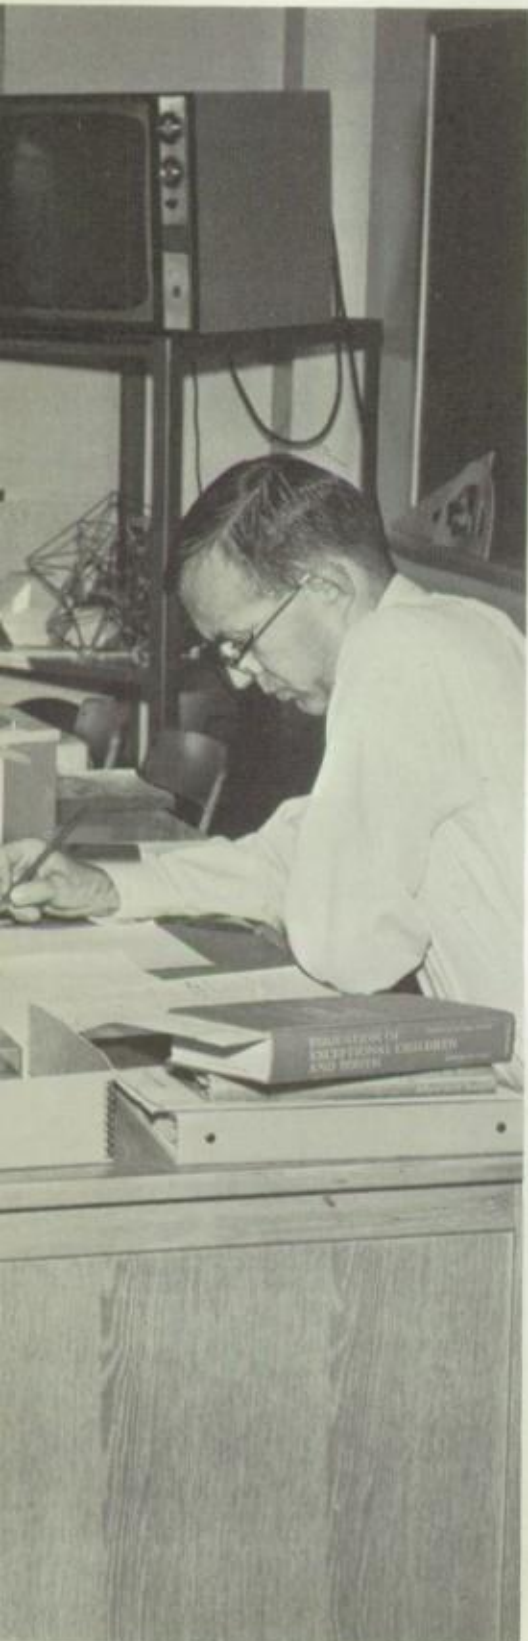

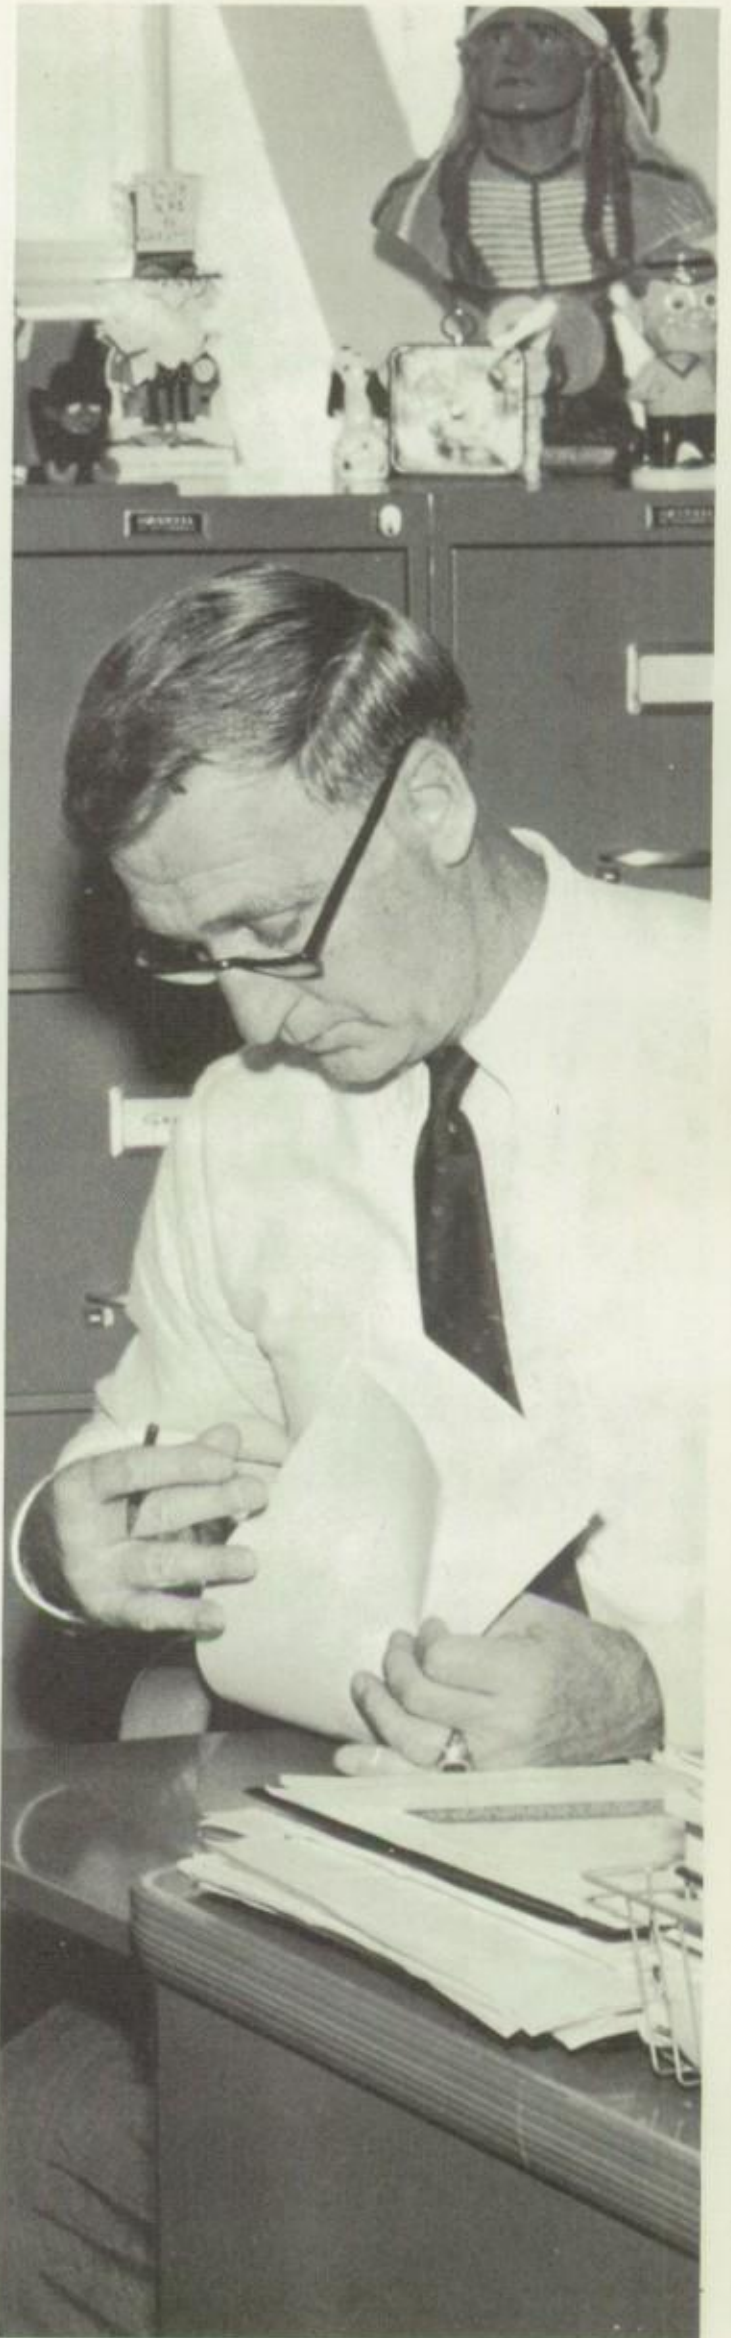

But then perhaps his light was needed . . . another place . . . and if man could but reckon thus . . . even another time.

He will be missed, but memories indelibly ingrained preclude the chance that he will ever be forgotten.

He was our friend and we now honor him, and always—we will remember.

ROBERT W. HENRY, Assistant Principal

"The woods are lonely, dark, and deep,
But I have promises to keep
And miles to go before I sleep,
And miles to go before I sleep . . ."

It is my opinion that the challenges of life which await you have been most aptly expressed by Robert Frost in this, one of his most notable works.

With this brief message may I extend my best wishes and congratulations to you, the 1969 graduates of Kishacoquillas High School.

May the future provide you with the very best that life can afford.

William R. Murphy,
High School Principal
